Youth Waiver for Restoration Event

Restoration Activity:

Restoration work parties involve many activities ranging from invasive species removal to native tree and shrub planting. Please be ready to get active and spend multiple hours moving around and exerting yourself.

What to Wear:

Youth should make sure to bring clothes appropriate for the weather and wear clothes that they don't mind getting *dirty*. Long pants, long sleeve shirts are sturdy shoes are the best. **Rain gear is must for fall, winter and spring!**

Food and Drinks:

Please bring a filled reusable water bottle to stay hydrated. Depending on your event, food and snacks may be provided, please check with your event leaders. It is often a good idea to bring a snack or lunch for the day.
