

RE: Tabling at CLC's Pierce Lunch

Dear Friends,

As Washington's largest land conservation and stewardship organization, Cascade Land Conservancy has a big vision: to conserve 1.3 million acres in our region and protect our quality of life for future generations. A strong, regional economy. Vibrant, creative cities. Beautiful landscapes.

The **Pierce County Conservation Awards Luncheon** celebrates innovative and effective conservation leadership in Pierce County and throughout our region. It will take place on **Monday, October 23, 2006** from 12:00-1:30 pm (registration begins at 11:30 am) at the Greater Tacoma Convention and Trade Center. We anticipate a full house, with over **500 business and civic leaders, conservationists and elected officials** joining the celebration. Our goal for this event is to raise **\$80,000** for land conservation and stewardship work in Pierce County.

Cascade Land Conservancy's accomplishments are made possible through the dedication and effort of our partner organizations. As we spend the morning celebrating our successes, we would like to offer our partners an opportunity to spread the word about their good work. For the first time CLC is offering a **Conservation Marketplace**, an outreach and educational area where all of our partners – businesses and community organizations – can display their own successes and achievements. The Conservation Marketplace will be the place for displays, posters, and giveaway items to engage the guests of this year's Conservation Luncheon.

**I am writing to invite you to join us at the Conservation Marketplace as a Marketplace Steward.** As a Marketplace Steward you will receive: reserved table space at the Conservation Marketplace, free entry to the luncheon and, of course, an engaged audience. A donation of \$60 will reserve your spot in the Marketplace and contribute to the conservation of our region's working lands, open space and wildlife habitats.

To confirm your participation, please contact Leslie Batten, Stewardship Project Manager, by phone (206) 292-5907 x116 or email: [leslieb@cascadeland.org](mailto:leslieb@cascadeland.org) or send your deposit to her attention at CLC 615 2 Ave Ste 625, Seattle, WA, 98104.

With your support we can spread the word of conservation. I hope that you will consider participating as a Marketplace Steward.

Sincerely,

Ryan Mello  
Pierce County Conservation Director
