Give the gift of
CONSERVATION!
A Membership to the
Cascade Land Conservancy

Giving a gift of Membership to the Cascade Land Conservancy is literally the gift that keeps giving. Membership to the Cascade Land Conservancy ensures that together, **WE** can save and protect working farms, forestlands and treasured landscapes and communities. With the gift of Membership you and your loved ones will be part of a community that is dedicated to protecting our natural resources for present and future generations to come.

WHY Cascade Land Conservancy

Founded in 1989, the Cascade Land Conservancy has conserved more than 150,000 acres of farmland, forests and natural areas as well as acreage in the urban and rural communities that we call home. The Conservancy envisions a region that combines spectacular landscapes, a vibrant economy and great places to live. As stewards to our Members, we act with immediacy to protect our region's most precious resource—the land.
